Chicago | May 2010

Our spring AtEdge **Face-to-Face** event was held in the Vertigo Sky Lounge at the Dana Hotel & Spa on May 17th. This intimate gathering gave AtEdge photographers and agents the opportunity to connect with some of the Windy City's top agency art buyers and art directors.

**Face-to-Face** revolved around private, face-to-face meetings between the photographers and the creatives. In between, everyone enjoyed cocktails and hors d'oeuvres with spectacular city views from this unique indoor/outdoor lounge in downtown Chicago.

Held several times during the year, **Face-to-Face** events are just one of the ways that AtEdge connects top-echelon photographers with the world's most active and influential art directors. **Look for us in London in 2012!**
